

Smarter Cleaning

MANUAL HEIGHT UPRIGHT VACUUM CLEANER

The 12" and 15" Manual Height vacuums offer high efficiency filtration. The MH series adjusts to multiple carpet heights and offers on-board attachments for detail cleaning. The MH series vacuums also feature an automatic brush roll shutdown to protect the carpet when the vacuum is placed in the upright position. The MH series is perfect for covering large areas day and night with its quiet and efficient single-pass operation.
